

Prayers of the Ancient Ones

Prayers of the Ancient Ones takes us on a journey to Bodh Gaya, India, the holiest site of Buddhism where the Buddha attained supreme enlightenment under the Bodhi Tree. Each year, over 10,000 Tibetan monks, nuns and lay pilgrims travel from all across the Himalayan region to pray for world peace and affirm their heritage in the face of overwhelming challenge and loss. This is the story of a sacred place, an exiled people and a Tibetan lama's immense efforts to restore Tibetan culture. *Prayers of the Ancient Ones* is a majestic testament to the beauty and power of working from one's highest aspirations for the benefit of all beings.

On July 16th, Guna Foundation held a private screening of *Prayers of the Ancient Ones* at Pier 24 Photography in San Francisco to raise funds for worldwide distribution. It was a memorable evening held in a sublimely elegant space.

We are planning a public premiere in Berkeley in September and hope you'll be able to join us.

Light of the Valley

In addition to being selected for the Jaipur Film Festival in 2012, *Light of the Valley* has also been selected for showing at the Ladakh Film Festival later this year. We are delighted to have received this honor.

Presentation and screening of the film.
